

Say a list of meals your family likes to eat.

Name the different places the foods on the table might have come from.

What makes a meal healthy? Do you think this is a healthy meal? Why is it important to eat healthy foods? What happens if you don't?

What do you think the family is talking about?

Describe different ways children can travel to school.

What other types of workers have jobs that help keep people safe?

How could the girl cross the street safely without a crossing guard?

How would this picture look different if it was winter time?
